Office of the Mayor
City Hall
San Francisco, California

Dear George:

I think you already know how I feel about the job you did in keeping the Giants in San Francisco. I have talked to you about it on the phone and I have written about it in the paper.

But aside from all that, I still want to extend my personal congratulations to you for an accomplishment that people will remember as long as the Giants play baseball.

I thank you for your kind note and I want to assure you that the enthusiasm and support that you mention will not subside, but will continue even stronger in the future.

I only hope I can help contribute to the goal, and the promise you made to National League owners, that Giants' attendance will be doubled this year. A million fans plus would be super, and I'm confident they can make it.

All the best to you and continued success in your years ahead as Mayor of San Francisco.

Cordially,

Roger
